

# Curriculum Vitae

## I. Personal Information

**Family name (surname):** Abraha

**First names:** Alem Gebremariam

**Place of Birth:** Adigrat, Tigray, Ethiopia

**Date of birth (Day/Month/Year):** Oct. 13, 1982

**Nationality:** Ethiopian

**Address:** Email: [alemg25@gmail.com](mailto:alemg25@gmail.com)

Tel: +251910352915/+251-983794291

Mail: P.O. Box: 50, Adigrat, Tigray, Ethiopia

ORCID ID: <https://orcid.org/0000-0003-2173-6685>

Google Scholar citations:

<https://scholar.google.com/citations?user=3F75CAAAAJ>

## II. Educational Accomplishments

Field of Study	Institution	Award	Period
Ph.D. in Epidemiology	Addis Ababa University, Addis Ababa, Ethiopia	Ph.D. Degree	Jan. 2016 – Oct. 2021
MPH in Epidemiology	Addis Ababa University, Addis Ababa, Ethiopia	MPH Degree	Oct. 2010 – Jul. 2012
Computer Microsoft Office Application	Dotnet Computer technology, Bale, Oromia, Ethiopia	Diploma	Jan. 2013- Jun. 2013
BSc. in Public Health	Mekelle University, Mekelle, Ethiopia	BSC. Degree	Nov. 2005 – Oct. 2008

## III. Summary of major area of competence

- ✓ Excellent computer skills in Stata, SPSS, R, SAS, Epi-Info, Epi-data, Microsoft Excel and other Microsoft Office Products, Open code, NVivo, ODK, SMART, ANTRO Plus
- ✓ Excellent quantitative statistical modeling skills, including survival analysis using Stata, R, and other statistical software
- ✓ Excellent communication skills, including report and scientific manuscript writing
- ✓ Highly proficient in project proposal writing, coordination, management, budget tracking, monitoring, and evaluation
- ✓ Strong interpersonal communication skills and managerial capacity
- ✓ Excellent in self-learning and independent work
- ✓ Ability to think strategically and integrate diverse information from varied sources

#### IV. Professional work experiences

Year	Rank and Employer	Key tasks
Feb. 14, 2017 –Present	<b>Assistant Prof. of Epidemiology,</b> Adigrat University College of Health Science, Adigrat, Tigray, Ethiopia  Jointly appointed researcher at the Tigray Health Research Institute	<ul style="list-style-type: none"> <li>• Post Graduate Coordinator at SPH of Adigrat University</li> <li>• Data manager of the project on “Community-Based Urban Cohort in Addis Ababa” at the School of Public Health of Addis Ababa University</li> <li>• PI for breast and cervical cancer patients experience project</li> <li>• Supervise and direct the research and community service work of the project staff members of the college and volunteers at different levels</li> <li>• Writing original manuscripts and publishing them in international peer-reviewed journals</li> <li>• Teaching graduate and undergraduate students</li> <li>• Coached/mentored/advised masters and undergraduate students</li> <li>• Reviewer of EJHD, Plos One, and Dove Press Journals</li> </ul>
Jul. 01, 2014- Feb13, 2017	<b>Lecturer of Epidemiology and Biostatistics,</b> Adigrat University, Tigray	<ul style="list-style-type: none"> <li>• Teaching <b>epidemiology</b> to undergraduate students</li> <li>• Conducted research and published original research in international journals</li> <li>• Mentoring students for thesis, CBTP, and TTP</li> <li>• Provide in-service training for health professionals</li> </ul>
Oct.1, 2012- Jun.31, 2014	<b>Lecturer of Epidemiology and Biostatistics,</b> Mada Walabu University; Oromia region, Ethiopia	<ul style="list-style-type: none"> <li>• Teaching Epidemiology and biostatistics, mentoring undergraduate students</li> <li>• Led and participated in the university affairs</li> <li>• University-level Research and policy review focal person</li> </ul>
Jun.01, 2012 – Sep. 30, 2012	<b>UNFPA RH/GBV Programme Officer,</b> Guji zone Oromia, Ethiopia	<ul style="list-style-type: none"> <li>• Worked as a humanitarian officer</li> <li>• Assist in RH and GBV programming and Project Implementation</li> <li>• Carry out need assessment surveys</li> <li>• Represent UNFPA in all RH and GBV stakeholders’ meetings in the zone</li> </ul>
Oct. 2009- Aug. 2010	<b>Graduate Assistant I &amp; II</b> in Mada Walabu University, Oromia region, Ethiopia	<ul style="list-style-type: none"> <li>• Teaching &amp; mentoring undergraduate students</li> <li>• Led and participated in the university affairs</li> </ul>
Oct. 2008- Oct. 2009	<b>Health Center director,</b> Tigray	<ul style="list-style-type: none"> <li>• Chief Executive of the Board of the Health Center</li> </ul>

Central Zone,  
Tigray, Ethiopia

- Providing preventive, curative, and rehabilitative services in the health center
- Supportive supervision and giving training to PHC unit workers

#### **IV. Short-term training and certifications**

Some of the important training I took are described below.

<b>S. N</b>	<b>Type/Title of the training</b>	<b>Date</b>	<b>Trainer/Organization</b>
1.	Non-communicable Diseases Epidemiology	5 days	Martin Luther University, Halle (Saale), Germany
2.	SCREM	33 days	ITM Antwerp, Belgium
3.	Diseases Epidemiology in the Context of the Sustainable Development Goals	5 days	Martin Luther University, Halle (Saale), Germany
4.	'R' software for statistical computing & graphics and interactive biostatistics workshop	5 days	Harvard T.H. Chan SPH, and AAU, CHS, Department of Psychiatry
5.	'Interactive biostatistics workshop	5 days	Harvard T.H, Chan School of Public Health, Department of Epidemiology and AAU, CHS, Department of Psychiatry
6.	Scientific Manuscript writing	3 days	AAU and ACS, Addis Ababa, Ethiopia
7.	Research Ethics Training Curriculum	5 days	FHI 360, Addis Ababa, Ethiopia
8.	Mixed Study designs	5 days	Adigrat University and Instructors without boarder from Canada
9.	Communication Skill Training for Health Care Professionals in Clinical setting	3 days	Ethiopian Medical Association and USAID, Bisheftu, Oromia, Ethiopia
10.	HIV Case-based surveillance	5	ICAP, EPHI, Adama, Ethiopia
11.	Vaccine-Preventable Disease Surveillance and Response Training	5 days	EPHI, WHO, Aksum, Ethiopia
12.	Harmonized Health Facility Assessment introduction	3 days	e-learning from OpenWHO.org
13.	Outbreak Investigations in Health Facilities	2 days	e-learning from OpenWHO.org

## V. Project-related work experience with National and International NGOs (Data collection & team leadership in the field)

S.N	Topics of the project	Responsibilities	Date	Duty station	Organization /contact
1.	Breast and cervical cancer patient's experience in Addis Ababa city, Ethiopia: a follow-up study	<ul style="list-style-type: none"> <li>• PI of the project</li> <li>• Coordinating the data collection of the project</li> <li>• Managing and analyzing the collected data</li> <li>• Manuscript writing and publication of the results</li> </ul>	January 1, 2017- May 18, 2021	Addis Ababa City, Ethiopia	American Cancer Society Dr. Ahmedin Jemal: <a href="mailto:ahmedin.jemal@cancer.org">ahmedin.jemal@cancer.org</a> Dr. Adamu Addissie: <a href="mailto:adamuaddissie@gmail.com">adamuaddissie@gmail.com</a> Dr. Mathewos Assefa: <a href="mailto:mathewosassefa80@hotmail.com">mathewosassefa80@hotmail.com</a> Prof. Alemayehu Worku: <a href="mailto:alemayehuwy@yahoo.com">alemayehuwy@yahoo.com</a>
2.	Evaluation of Micronutrient powder (Desta) in Tigray region, of Ethiopia (A qualitative research)	<ul style="list-style-type: none"> <li>• Contacting officials at district level</li> <li>• Facilitating data collection programs</li> <li>• Data collection, transcription, and translation</li> </ul>	Jan. 23 –Feb.4, 2017	Freweini and Rama districts of Tigray	Dr. Seifu Hagos 0911613577
3.	Family planning integration in Tigray, Ethiopia (A qualitative research)	<ul style="list-style-type: none"> <li>• Contacting officials at district level</li> <li>• Facilitating data collection programs</li> <li>• Data collection, transcription, and translation</li> </ul>	Dec. 1-10, 2016	Adi Nebried district of Tigray	L-ten K Dr. Mitike Molla 09-11-13-18-05
4.	Fistula cases based on the most significant change history in Tigray, Ethiopia (A qualitative research)	<ul style="list-style-type: none"> <li>• Data collection</li> <li>• Transcription and translation</li> </ul>	Dec. 4-10, 2015	Four districts of Tigray	Healings Hands of Joy Mr. Zelalem Adugna 0911921206
5.	Barrier analysis on factors influencing care seeking to ICCM and CBNC in Ethiopia (A qualitative research)	<ul style="list-style-type: none"> <li>• Contacting officials at Zonal and district level of Tigray</li> <li>• Facilitating data collection programs</li> <li>• Data collection, transcription, and translation</li> </ul>	Nov. 4-12, 2015	Enderta and Hintalo Wajirat, Saharti Samenre, Degua Temebene districts	Hand-on research and training in collaboration with UNICEF. Mr. Tolcha: 09 35-40 9571 Or Dr. Mitike Molla (PhD): 09-11-13-18-05

6.	Qualitative research on the Continuum of care	<ul style="list-style-type: none"> <li>• Data collection</li> <li>• Transcription and translation</li> </ul>	December 7-11, 2014	Saharti Samere District, Tigray Ethiopia	JSI Research and Training Institute, Inc. (the last 10k Project) Dr. Mitike Molla (PhD): 09-11-13-18-05
7.	Assessing social determinants of Health among selected towns of Ethiopia	<ul style="list-style-type: none"> <li>• Data collection, transcription, and translation</li> </ul>	April 2016	Adigrat and Mekelle city of Tigray	AAU in collaboration with JSI Mr. Muluken Gizaw 09-12-28-10-01
8.	Assessing Ethiopian Health Workers' Practice with Task Analysis in Ethiopia	<ul style="list-style-type: none"> <li>• Data collection</li> <li>• Field report</li> </ul>	Feb. 16 - March 6, 2015	Amhara Benshangul and Gumuz regions	Jheipigo Ethiopia Mr. Bekalu: 0917804269
9.	Baseline study of the project entitled "MI-Ethiopia Community-Based Maternal and Neonatal Health Project in Afar Region."	<ul style="list-style-type: none"> <li>• Program Coordinator</li> <li>• Qualitative data collector</li> <li>• Data transcription and translation</li> </ul>	June 5 –July 5, 2013	Afar	MI and AAU Prof. Misganaw Fantahun and Dr. Seifu Hagos (PhD): 0911613577
10.	Midterm Evaluation of the IUCD Revitalization Initiative by FHI 360, Tigray, Ethiopia	<ul style="list-style-type: none"> <li>• Data collection</li> <li>• Field report</li> </ul>	February 18- March 29, 2013	Kilteawlaelo, Adigrat, and Tahtay Machew districts of Tigray	FHI 360 Mr. Abineizer
11.	Intention to use long and permanent contraceptives use in Adigrat town, Tigray, Ethiopia (Mixed method study)	<ul style="list-style-type: none"> <li>• Principal investigator</li> </ul>	Dec. 2011	Adigrat Town	Master's thesis Alem Gebremariam 09-10-29-35-15

## **VI. Research Publication Experience**

---

I have authored and co-authored more than 25 articles which are published in peer-reviewed International journals. Some of the peer-reviewed publications are:

1. **Gebremariam A**, Assefa M, Addissie A, Worku A, Pace LE, Kantelhardt EJ, et al. **Delayed initiation of adjuvant chemotherapy among women with breast cancer in Addis Ababa, Ethiopia.** *Breast Cancer Res Treat* (2021). <https://doi.org/10.1007/s10549-021-06131-9>.
2. **Gebremariam A**, Addissie A, Worku A, Assefa M, Pace LE, Kantelhardt EJ, et al. **Factors associated with late-stage diagnosis of breast cancer among women in Addis Ababa, Ethiopia.** *Breast Cancer Res Treat*; 2021;185:117-124. <https://doi.org/10.1007/s10549-020-05919-5>
3. **Gebremariam A**, Addissie A, Worku A, et al. **Time intervals experienced between first symptom recognition and pathologic diagnosis of breast cancer in Addis Ababa, Ethiopia.** *BMJ Open* 2019;9:e032228. doi:10.1136/bmjopen-2019-032228
4. **Gebremariam A**, Addissie A, Worku A, et al. **Perspectives of patients, family members, and health care providers on late diagnosis of breast cancer in Ethiopia: A qualitative study.** *PLoS ONE* 13(1):e0191506.<https://doi.org/10.1371/journal.pone.0191506>

## VII. Research under review

- Association of delay in breast cancer diagnosis with survival in Addis Ababa, Ethiopia: A prospective cohort study (accepted by JCO Global Oncology)

## VIII. Research grants

- Breast and cervical cancer patients' experience funded by the Intramural Research Department of the American Cancer Society
- Assessment of prevalence and associated factors of exclusive breastfeeding in Ganta-Afeshum district, 2015, funded by Adigrat University Research and community service office

## IX. Conference Presentations

1. Time intervals experienced between first symptom recognition and pathologic diagnosis of breast cancer in Addis Ababa, Ethiopia; Poster presentation on the **12<sup>th</sup> International Conference on Cancer in Africa, 05 – 08 November 2019 at Maputo, Mozambique**
2. Role of delayed health care on the survival of breast cancer patients: A systematic review on **4<sup>th</sup> Annual Research Conference and Medical Exhibition July 27, 2019, AA Biomedical College, Ethiopia**
3. Barriers to early diagnosis of breast cancer patients attending Tikur Anbessa Specialized Hospital, Oncology Clinic: A qualitative study on **6<sup>th</sup> annual conference of Public Health Officers Association of Ethiopia**, March 24-25, 2017, Addis Ababa, Ethiopia
4. Contraceptive Choice and Switching Pattern among Married Women in Rural Communities of South East Ethiopia on **the annual conference of Ethiopian Public Health Association (EPHA)**, February 25-27, 2015, Bahri Dar, Ethiopia
5. Intention to use long-acting and permanent contraceptive methods and factors affecting it among married women in Adigrat town, Tigray, Northern Ethiopia on **2013 International Conference on Family Planning**. November 12 - 15, 2013, Addis Ababa, Ethiopia
6. Intention to use long-acting and permanent contraceptive methods and factors affecting it among married women in Adigrat town, Tigray, Northern Ethiopia on **25th Silver Jubilee and the annual conference of Ethiopian Public Health Association (EPHA)**, 20-22, 2014, Addis Ababa, Ethiopia, February

## X. Leadership

Date	Position
May 2023 - Current	Adigrat University Proposal Preparation and Fund Raising Team Member
July 8, 2014- Dec. 30, 2015	Chairman of the college research ad-hoc committee of Adigrat University College of Medicine and health sciences, and Teachers' Affair representative of College of Medicine and Health Sciences, Adigrat University
June 01- Sept. 30, 2012	UNFPA Program Coordinator of Reproductive Health or Gender-Based Violence in Guji Zone, Oromia, Ethiopia
December 2013 - June 2014	University-level appraisal of projects, guidelines, and research proposals in Madawalabu University, Oromia, Ethiopia
Oct. 08, 2008 – Oct. 08, 2009	Head of Gerhusernay health center, central zone, Tigray, Ethiopia

## **XI. Professional Memberships**

Regular Member of AORTIC (African Organization for Research and Training in Cancer Training)

Life Member of the Ethiopian Public Health Association

Regular Member of the Ethiopian Public Health Association

## **XII. Skills and Hobbies**

**Languages**                                      Fluent in English, Tigrigna, and Amharic

**Computer Skills**                              Excellent in Microsoft Windows, Microsoft Office Products, Epi-Info, Epi-data, SPSS, Epi Info, STATA, R, Open code, NVivo

**Project Proposal Writing**                  Highly Proficient

**Hobbies**    Reading books, magazines, and articles; visiting historical and religious places, and helping people in need of my assistance.
